Customer Reviews

Don’t waste your money on this digital book! Zero photos, zero maps. No hotel recommendations - just suggestions to utilize web sites such as Trip Advisor or air BnB. Language pages - only have Russian (no Ukrainian phrases and while most if not all people I met spoke Russian, they also spoke Ukrainian and seemed to appreciate it when we said thank you in Ukrainian) Better you spend 30 minutes Googling 24 - 26 - 72 hours - 3 days in Kiev - you’ll save a few bucks and get much better information.

Too much to pay for such a small book.Information in the book is good, but not accurate.

Waste of money..no value. Arrived late, no useful information. Few key language phrases, no where to go for food listings. A promotion book for a web site...don't waste your money!
