Customer Reviews

This Lonely Planet Phrasebook contains up to date and useful information for anyone traveling to and wanting local treatment in Fiji. While there are some Fijian references online and more on , this Fijian phrasebook is probably the most useful reference I have found.

Poorly organized and lacks phonetic pronunciation.

Learning Fijian to become familiar with the language of the island and to be able to speak with the locals in the villages.

Kind of deprecatory to big resorts. One we attended was great!
