Synopsis

This very affordable workbook is designed to help students review what they have learned from reading the textbook. It is organized around learning objectives, which work like a built-in study guide. Multiple choice, true/false, crosswords, word searches, critical thinking scenarios, and other activities test the student’s knowledge of each chapter.The workbook answer keys are not shipped with the workbooks; they are only available to verified instructors.

Customer Reviews

Hartman Publishing began offering in-service education programs to long-term care facilities and home health agencies in 1994. Students and teachers using our materials benefit from a company focused solely on educating and inspiring caregivers.800-999-9534 hartmanonline.com

This is one of the best teaching tools I have ever purchased. It is used by many schools in Ohio and I highly recommend it. I also suggest purchasing the accompanying workbook to be be used as adjunct material to help students learn.

Ordered for my sister!!!! Helped a lot :)

perfect book

Do not buy this item it does not provide any way of getting the answers and the company will not

sell the answers to anyone that is not a nurse. If you are trying to self teach this is not the book for you.

A+

Good I guess but unnecessary.

Outstanding

Book came exactly as described.
