Cleve Hickman is Professor Emeritus at Washington and Lee University, Lexington, VA. Ã Â He received his Ph.D. in Zoology from the University of British Columbia, did research in animal physiology for eight years, and taught zoology for over 30 years. He’s made over 20 trips to the Galapagos Islands for research and as an instructor for student field trips Ã Â

The binding was a little messed up and makes it a little hard to turn the pages but i expected it to have some issues being a used book but besides that it is in great condition. I received the book 2 business days after I paid for it too.

Took a while for the product to come, but it think because of the bad snow weather we were having at that time. Great product and was as described by the seller.

Awesome product for education or leisure time!

For school

Thank you.

great

perfect condition

Not worth the money. Too expensive with hardly any meaning full subject clarity. College Book SCAM. Go purchase international version for less than $10 instead of $200 on US version..
