Cooking of Vienna’s Empire

Although a times publication, this was not as elegant as I expected. Some interesting history tidbits throughout the booklethough.

I really enjoyed the few copies of the time-life cooking series I’ve read. Some of the food writing was so good. This is one of the ones I remember. Some writers were great (I think they were pretty careful in their contributors) and some average, some completely missed the point. This is one of the better ones. Looking forward to trying the recipes.(my opinion for what it’s worth)

I am very pleased with the purchase of my Time - Life book. The condition and complete package as listed is perfect.
