Synopsis

Nobody likes the waiting game: You seek God’s will, but He won’t answer. Time and time again, you pray for direction but turn up empty. ItÃ¢â ¬â„¢s that moment when crickets chirp louder than your thoughts. ItÃ¢â ¬â„¢s the waiting place.Sometimes it ends quickly, but other times it drags on without end, perhaps leading you to wonder where God is in all the mess. In this book youÃ¢â ¬â„¢ll discover why God makes you wait, and how to make the best of your moments in the waiting place. YouÃ¢â ¬â„¢ll learn what His plan is and how He intends to use it for your future.

Customer Reviews

The waiting is always the most complicated, but this book offered a varied view of how waiting is worth the required time and patience God requires to reveal things to us.

I have recommended this book to numerous people, as a senior adult of 80 years with Heart failure " PLUS", and 54 years of pastorate ministry, my time is rapidly running out, but this book answered

questions I have pondered and if others will read it, they too can have a more abundant life.

Just what I needed. I'll continue to read and heed to the guidance in this book. Get it! You can't go wrong.

A must read for every christian. It gives biblical answers to the question , why am I waiting. Also it show you how to walk by faith and not by sight by following the leading of the Holy Spirit. A great book.

Beautiful book, read it through in one hour. Very encouraging, helping me put my waiting period in Gods perspective. Particularly loved the bit about God dipping His hands in the murk to pull Adam out, gave me confidence that He is with me as I wait. I am even now more committed to wait for Him, because I trust that He has amazing plans for my life. And I now know what to do as I wait...pray and listen to His Spirit.

This is a short, but to the point book that get our attention not to wait, but more to trusting God is in control. I liked it. Would like to seeing a hard copy for my book group - as some are not using computers.

Any Adam Houge Book is a blessing read them all..

This book it so close to home!!! I am guilty of being impatient but I thank God he is patient and loving even when I am throwing an adult tantrum!!! Lolol... thank you Lord for always loving me!!! Great Book
