Synopsis

Ellie Donovan couldnÃ¢â ¬â„¢t care less about pro bull riders, until sheÃ¢â ¬â„¢s sent out on the circuit to do a story about them for Modern Luxury magazine. SheÃ¢â ¬â„¢d done many things to get a great story, but pimping herself out to a cowboy who thinks sheÃ¢â ¬â„¢s the only thing keeping him on track for the gold buckle isnÃ¢â ¬â„¢t one of them. Being sexy BrodyÃ¢â ¬â„¢s good luck charm isnÃ¢â ¬â„¢t exactly a hardshipÃ¢â ¬â •until she discovers she doesnÃ¢â ¬â„¢t want it to end.Brody Cameron canÃ¢â ¬â„¢t help bowing to cowboy superstition on the night he should have lost his spot on the pro circuit, when a secret tryst with a pretty stranger changed his luck, and his heart, forever. Caught between the love he wants and the money his family needs, Brody canÃ¢â ¬â„¢t share the truth with Ellie and risk losing his shot at the big money.But when Cameron family secrets are exposed, and a jealous rival threatens to tear them apart, can Ellie and Brody break their silence without breaking each otherÃ¢â ¬â„¢s hearts?

After getting totally upset with the first book I decided to give number two a chance. First, it was a total shift in focus. Where number one was totally upsetting due to its obsession and focus on both emotional and physical abuse, this book completely glosses over that as a family lifestyle that some of them participate in and some don’t. Why wasn’t that an option for Holly in book one? She was actually forced to service all the brothers. Now, it’s a choice since the other brothers don’t care to share their wives.Further, this is supposed to be the second book in the series, but somehow, the biggest bad boy of the family, Abel, is already married...hmmm. I’m guessing this is totally messed up.

Brody Cameron, a hunky bull rider in a slump (both professionally and personally) finds a "lucky charm" in undercover magazine reporter Ellie Donovan. The couple engage in a sexually expressive physical relationship that leads to a good ole fashioned cowboy love story.Felice Fox’s erotic romances are special in that they portray sex (in all of its forms) as a spiritual, sacred act of SELF (self-discovery, self-love, self-acceptance).

I haven’t even opened the book, but I definitely bought it for the cover! Wowsers! This is a new author for me, I hope she doesn’t disappoint.

Pretty good

I was unable to read any of her books because they were too sick for this Southern Baptist too read. I deleted all of her books, that I thought I would like to read, from my Kindle. I won’t make the mistake again oif downloading any of her books. They are SICK.

I enjoyed this story. Brody and Ellie meet on the rodeo circuit by accident in a storage closet! YES, a storage closet. Brody is in a huge slump as a bull rider and is seeking solitude before he has to ride a possible season ending bull; Ellie is is a NY writer under cover to get a story. The two are instantly attracted to each other and Ellie becomes Brody’s good luck charm. As the circuit rolls on, the couple continue the ritual that Brody is convinced changed his luck. But they both want and need more out of life. (Not to mention they both have very specific and erotic views on love & sex).Do they part ways or continue to use each other? Do either of them break down and confess their true feelings and/or motives (does Ellie tell Brody who she really is)? If so do they forgive each other? The story is very well written with some very erotic yet tender moments. The book is a part of the

Cameron Ranch series and doesn’t disappoint the reader. Brody is as sexy and committed to his family, the ranch and their lifestyle as his brothers. 2 THUMBS UP!

Bull rider, Brody Cameron is on the tail-end of a pretty bad losing streak and he doesn’t know what to do about it until he ends up in a utility closet with a sexy woman who rocks his world. No words pass between them, just an unconventional intimacy that ends said losing streak.New Yorker and reporter, Ellie Donovan AKA Elsie, leaves the comfort of the big city to follow around bull riders and stock contractors in search of a story for the magazine she works for. Ellie is no way was interested in this job, but when she comes face to face with too hot to handle Brody, her libido jumps into top gear and this pint sized beauty does things with Brody she never could have imagined before.Brody is so desperate to help his family and their ranch that has fallen into financial straits that when the bombshell of Elsie helps him bring home the bacon with nary a word between them, superstition has him repeating the winning combination even though his heart is telling him otherwise. The more time these two unlikely lovers spend together, the more Brody realizes that there is more to Elsie than eight seconds on a bull.The Sound Of Your Name by Felice Fox is a delightful diversion from the day to day. This sexy novella is sure to whet your whistle and have the reader asking for more stories from Ms. Fox. Although it is a short, it is quite thorough and very entertaining. Bad boy Brody sees the error of his way when he meets his passionate match in Elsie/Ellie and when he is faced with losing his lucky charm, his awakening helps him regain the true prize he truly deserves. I enjoyed The Sound Of Your Name by Felice Fox.

Ellie Donovan, a big city girl with a lot going on in her life is missing something. Unsure of what that something might be her editor sends her out on a story, one where she gets to be a whole other person. The catch, itÃƒÂ¢Ã â ¬Ã â„¢s on rodeo riders and she doesnÃƒÂ¢Ã â ¬Ã â„¢t even know where to begin.Brody Cameron has had a string of bad luck, some of it on the circuit and some of it in the bedroom, celibate for how long???? Is tonight the night he gives up the ghost? Or perhaps he just needs to take care of himself and then man up and get out there. The family needs the money he could win on tonightÃƒÂ¢Ã â ¬Ã â„¢s bull.One chance encounter, one darkened utility closet and two people searching for what to do next. Without a word being spoken these two connect and begin an adventure without many words, but with a whole lot of touch and meaning. However when words could save them there is silence and neither seems willing to break it, could this be the end or will it make them trust one another a whole lot more?Ms. Fox has brought the Cameron brothers back. This is a part of a series but can be read as a stand alone. If you are like

me and didnÃƒÂ¢Ã â ¬Ã â„¢t realize it was it will make you want to go back and find the beginning of the series though. The rodeo circuit is a different world and Ms. Fox gives a great accounting of it and more so the people that life the life. As with many sports there are superstitions and the readers are given a chance to view those as well. Overall this is incredibly well written, and all encompassing as a story. The love that runs through proves sometimes you just need to feel and look deeply into your lovers soul.
