Exactly what I was looking for. Intermediate level of difficulty but accessible... and let’s one at least twinkle around with that magnificent music without being an orchestra OR virtuoso player!

These arrangements are wonderful especially suited for early intermediate to intermediate levels.

I love the pieces. They are easy to play and sound good.

First, every piano teacher knows the Nutcracker is not easy to play anyway. SO do NOT expect just anyone to play this though it says easy.It is intermediate.Always hate the way they use "easy". AND also hate the way you cannot see all the music inside.Still fun..... IF you could play it.

Worked perfectly for me to learn quickly so I could play for the grandchildren at Christmas. I’m not the pianist I used to be and this helped me fake it!!

While the music is arranged simply, it is still a bit too hard for my eleven year old with five years of piano under her belt. Perhaps next year....

Well done book, but not "easy".
