## Synopsis

WONDER WOMAN VOL. 3: THE TRUTH is the latest chapter of the instant-classic saga from writer Greg Rucka and artist Liam Sharp. Ã Â They say the truth will set you free. ThatÃ¢â ¬â„¢s what Princess DianaÃ¢â ¬â •the hero known to the world as Wonder WomanÃ¢â ¬â •believed. But she discovered a far darker truth, learning that her entire life and history had been transformedÃ¢â ¬Â¦and it has driven her to madness.Ã Â Even as her life unravels, sinister forces threaten all she holds dear. No matter how great the trauma, she must continue to fight against the evil and lies that have destroyed her life.Ã Â With the help of her closest alliesÃ¢â ¬â •and her greatest enemy, the CheetahÃ¢â ¬â •Diana will put the pieces of her broken mind back together and do battle against her fearsome new foes. Ã Â Will she defy the will of the gods, save her sisters and solve the mystery of her own existence once and for all? Or is the cost of the truth too steep for even Wonder Woman to bear?Ã Â Exploding from the pages of the blockbuster DC Rebirth event, this storyline collects odd-numbered issues from WONDER WOMAN #13-25.

## Customer Reviews

Wonderful wrap up for Greg Rucka’s latest run. I loved: the dynamic between Diana and Steve,

Ferdinand (!), fleshed out Wonder Woman villains like Veronica Cale and the Cheeta. If you're looking for a great Wonder Woman story this is it.

Story: Diana Prince has been driven mad by her memories and not being able to tell what the truth from a lie. Thinking she finally made it home to Themyscira, but she hasnÃƒÂ¢Ã â ¬Ã â„¢t. Steve manages to find her just in time to thwart the evil forces that are trying to get to Themyscira, those same forces have gone after all of DianaÃƒÂ¢Ã â ¬Ã â„¢s friends Etta and Barbara Ann are in hiding. Steve has no other choice but to lock Diana away in a hospital until he can get her allies back together again. Meanwhile Diana is having crazy visions sorting out all the falsehoods from her memories. Steve has brought together DianaÃƒÂ¢Ã â ¬Ã â„¢s most loyal friends and with Diana who is slightly saner the when she went in takeoff to stop them from opening the door to Themyscira. That leads to an epic battle of good versus evil on Themyscira.Art: Liam Sharp did an excellent job, I am most impressed. Laura Wright and Hi-Fi did a great job with the coloring. I really do Love the artwork in this and of course the variant art is pretty too.Review: I really did enjoy this one. I was a little confused at first, but then I realised I was sleep deprived and the next day I started over and I remembered what happened at the end of The Lies. The story was well paced and very exciting the artwork just added to it, Diana's hallucinations were great. Ares, not surprised there and I like what they did. I can't wait to see what happened in the even numbered issues.
