Synopsis

A Step 3 Biography Reader about Theodor Geisel and his transformation from a doodler into the beloved Dr. Seuss. Little Ted Geisel always had a sketchpad and pencil in hand. He was a Boy Scout with a penchant for creating zany creatures. He grew up with a love of books and words from his mother, and his inventor father spawned a wildly imaginative and perfectionist side. ItÃ¢â ¬â„¢s no wonder that these qualities led to the beloved work of Dr. Seuss, the Great Doodler. Ã Â Follow his career as an ad man, political cartoonist, creator of forty-five indelible childrenÃ¢â ¬â„¢s books, and Pulitzer Prize winner. Not bad for a lifelong doodler! Includes fun facts and several of Dr. SeussÃ¢â ¬â„¢s original sketches and artwork!Selected as one of the Best ChildrenÃ¢â ¬â„¢s Books of the Year-2017, by theÃ Â Bank Street College of Education and ChildrenÃ¢â ¬â„¢s Book Committee!Ã Â Ã Â Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics. For children who are ready to read on their own.

This is a great level three reader about the awesome Dr. Seuss. My son, as an 8 year old, has learned much about this author in school. This text went above what he knew plus was a challenging read for a low-level 2nd grade reader.

Bought this book for my 7 year old son because it’s on his pinecone list for school. We own almost every Dr. Seuss book so I was excited to see this. I actually enjoyed this book a lot! Very happy with this purchase

My 6 yr old granddaughter is a doodler. As she is a new reader, this book was perfect for us to share.

Great book. It will be a nice read for my class during Dr. Seuss’ birthday week.

Perfect.

Perfect for March Reading month at our school.

Kids love reading these

I got this book for my grandson because he loves to read biographies. He is just finishing first grade and he enjoyed the book.
