This is a great teaching Bible study book for personal growth for Sunday school or for small group studies. I would recommend this book.

Great book!! This is the first of a three book series which I purchased to study the Bible and become more intimate with God's word. I must say that I found it very enjoyable to read and study along with one of my sisters whom I read the Bible daily with.

This 25 Great bible study lesson book is a must read. The time the author took to explain in detail what the Holy Spirit wanted us to learn from this bible study. Awesome!

BOOK ONE WAS GREAT ALSO. I HAVE TOLD MANY OF MY FRIENDS ABOUT THESE COLLECTION OF STUDY BIBLE LESSONS.

I enjoy all books written that help me study the bible and this book meets those qualifications. I would recommend for anyone who is serious about studying scripture. It will make your Faith stronger and should help you to walk the talk. Faith is the best when one learns how to practice what they learn from God's Holy Word. Read this Book it will help anyone who reads it.

Great for home devotions and student Bible Study.

A nice book to study portions of the Bible. It is OK, but could be hard to understand if you did not already have a background of Bible study.

Clear and concise lesson with Bible verses and references. Very thought provoking.
