Customer Reviews

Lullabies for Little Hearts is a wonderful collection of Christian lullabies designed for young children and their parents. The book's illustrations characterize each song, and the melodies of the lullabies are included via a vocal score in the back of the book. The audio tape that accompanies the book highlights each of the book's lullabies, sung by Carol Smith on one side and the instrumental versions on the other (so Mommy or Daddy can sing baby to sleep on their own). The messages taught in these lullabies are messages of faith, trust that God loves us and answers our prayers, and reminders that we can pray at any time to a loving God who always listens.This is a must for any new parent who wishes to instill their faith in their children.
