Customer Reviews

My husband bought this as an early Christmas present and I’ve already looked at it. I know I’ll enjoy it immensely in the coming year and will be looking at these wondering "okay, how did they do that?"

Kim Diehl is a talented designer. I go for everything she publishes. This calendar has a quilt of joy for every month.

I love this. I always need calendars. Might as well be something beautiful with great inspiration. Hope you have another one next year!

The quilts shown are interesting and colorful. The quilts set amoung other small items adds to the interest. The date boxes have the necessary data but are not filled with trivia.

My mother quilts all the time, she has enjoyed having a different quilt calendar, this one is really nice

one.

I love every quilt on the calendar that I purchased the book "Simple Seasons" so I could make them.Beautiful pictures!
