Stanley Newman, crossword editor for the Long Island newspaper Newsday, is syndicated worldwide to more than 100 daily, Sunday, and Internet newspapers. His puzzles have appeared regularly in Prevention, People, Sport, and BusinessWeek magazines. Newman has written or edited more than 125 books and organized and conducted many puzzle and trivia events in the United States, including four seminars at the Smithsonian Institution and, in 2007, the first crossword tournament ever held at Yale University. He lives in New York with his wife and has three grown children

When I do a crossword, I want it to be a mental escape, but not mentally taxing. These crosswords are easy but offer just enough challenging questions, that I have to leave some blank and come back to. 90% of them I can complete without looking at the answers, even if I have to leave it a bit and come back to it to read a clue in a different way. But, almost always, I can get it. I love, love, love these and am about to order another.

A great crossword book for those who like to be able to actually fill in the boxes. Easy enough for anyone to get a couple answers.

OMGoodness LOVE these crossword puzzle books! If your not a fan of crossword puzzles and want to get your mind sharper start out with these books, they're great! And, I love that they have a spiral binder, so easy to use anywhere!

Bought this crossword for my elderly mother. Enjoys being able to complete these puzzles without a lot of difficulty. This was the first time for ordering the Easy as Pie Crosswords. Will definitely order these again.

After trying many many puzzle books I discovered Stanley Newman's by accident and just flat cannot get away from his routine. They are not 'easy'. But not impossible either, as many of the others I tried were. They do go from slightly easy to more difficult in word solutions in each puzzle, and from puzzle to puzzle as you work your way through the books. All of his books are same degree of difficulty, and the solutions are different. I just bought FIVE !! Hoping he does more!.

This was a gift. The person who received it loved it.

A nice puzzle book, but REALLY Easy

Favorite series.
