Synopsis

The sixth fableous book in Suzanne Selfors' Ever After High: A School Story series. Meeshell is not an ordinary mermaid princess; she knows that someday, when she is older, she will leave her sea kingdom and live happily ever after on land with her prince. The thought of living on land is thrilling but also nerve-racking. Meeshell is glad she has years to prepare! But there is a change in the tides, and now Meeshell will start attending Ever After High. She has almost no time to do all of her preparing and planning. Can Meeshell fit in at Ever After High, or will she stand out like a fish out of water?Ã Â© 2016 Mattel. All Rights Reserved.

Suzanne Selfors feels like a Royal on some days and a Rebel on others. She's written many books for kids, including the Smells Like Dog series and the Imaginary Veterinary series. She has two charming children and lives in a magical island kingdom, where she hopes it is her destiny to write stories forever after.

Cute books and very age appropriate...good pick for kids and parents alike!!!

My daughter has all of these books and absolutely loves them, this one is no exception! Great stories!

My 11 year old daughter loved this book and finished it in 2 days. It's a great read for this age group and she was engaged with the story line all the way through.
