Great gift for kids that like to journal

The book had 4 or 5 bible verses or quotes. It is a waist of money. The idea is great the execution is poor. It has way to many pages of just lines or just one small illustration on the page that has nothing to do with the verse. Will be returning

These books have different art, or journal space, or Biblical quotes, or Saint quotes on each page

making it a wonderful creative project that incorporates prayer and truth! Coloring pages with intricate lines as well as doodle windows for listing feelings, prayer intentions, prayers answered are also inside and the color-filled book is bright and beautiful with gorgeous artwork. The lined journal pages could be used for planning and/or homework planner, too.

I am enjoying the gentle art and inspiring verses found in All Things Joyful All Things Lovely. I find this concept of journaling and drawing to be a wonderful way to take a mini retreat and reflect on God's goodness! (And I'm always delighted to be touched again by quotes from St. Therese of Lisieux!)
