Synopsis

Most fishing guides to Pennsylvania are becoming outdated,which is why Wilderness Adventures Press is introducing the all-new, 8.5x11-inch full-color, map-heavy Flyfisher’s Guide to Pennsylvania by noted author Tom Gilmore. This is a completely new from-scratch edition that includes large, full-color maps with GPS coordinates for access points, stunning full-color photos and comprehensive hatch charts laid-out in an easy-to-process format. Each stream was put to a rigorous test ranking them of five criteria: public access, ability to hold trout year-round,fishable population of wild trout, scenic beauty and overall fishing experience. Only the best made the book. The book details 160 trout streams and provides detailed driving directions to over 400 public access points.Under the sections "What the Experts Say" the author shares insights gleaned from interviews of over two dozen guides and experienced fly anglers.It includes exhaustive coverage of the Delaware River and its branches, the Lehigh, the Little Lehigh, French Creek, the Lackawaxen, the Lackawanna, Spring Creek,Penns Creek, the Allegheny, the Loyalsock, the Youghiogheny,Big Spring Creek, Yellow Breeches Creek, Letort Spring Run, Falling Springs, Brodhead Creek and dozens more, both large and small. Anglers are virtually guaranteed to learn something new about flyfishing in Pennsylvania in this fantastic new guidebook.

Tom Gilmore has written several other flyfishing books including Flyfisher’s Guide to the Big Apple

and Flyfishers Guide to Eastern Trophy Tailwaters.

This is what you expect from the author. Great detail, facts, GPS locations, and insight. Go to book for researching places to flyfish in PA. Get this book. You'll love it.

Fantastic guide book. Maps are outstanding

I wish I had bought this book a long time ago! Wonderfully written and so informative. The maps with GPS are a life saver

Very good guide book

Great info

no issues

Tom Gilmore has hit another home run with this book, Flyfisher's Guide to Pennsylvania. While examining this book you can tell there was a great deal of research involved in putting the pages of this book together. I knew this book would be coming out and was very anxious to see it, I have Tom's previous book Eastern Trophy Tailwaters. To me, what is so great about this book and the tailwater book is the use of GPS data, and maps, there are streams that I have not fished in over 40 years and really don't remember how to get to them. With the GPS data, and the quality maps, all you have to do is put the data in and go. It is a winner and a job well done by Tom and Wilderness Press with the quality print and paper. A valuable tool for any Pennsylvania fly fisherman.

I was delighted & so impressed after reading Tom Gilmores newest book, Flyfishers Guide to Pennsylvania. With half a century of angling experience spent on his home waters, this manuscript proves to be his BEST work yet. History, Facts, personal stories, techniques, detailed maps, directions, along with awesome photography from some of the states finest guides and anglers. Everything you'll need to know about Pennsylvania Flyfishing for trout is in this book.. its all you'll need! Current technology also included GPS coordinates .... a welcomed addition making the days of poking and hoping to find "the spot" a distant memory. I highly reccomend this book... make it part your Trout Fishermans library today and you'll be well informed about the incredible fishery that

the Keystone state has to offer!
