Synopsis

Emily Whayne continues to do everything in her power to make good on a promise to fulfill the wishes of her godfather, but so much in her worlds has slipped out of control. On Earth, she is trailed by government Blacksky forces who want to study her, and on Acacia magicians are tracking her to add her power to theirs through dragon-oaths. EmilyÃ¢â ¬â„¢s only option is to attempt to forge on to the prestigious school of magic on Bashan. She is becoming a more proficient blue magician and her mind-link with her formidable Doberman bondsmate continues to develop, but deep in her heart sheÃ¢â ¬â„¢s certain only an arch-mage will ultimately be able to discover the answers to the truths that haunt her.

Customer Reviews

I was very excited to read ÃƒÂ¢Ã â ¬Ã Å“The Ammolite Adventures: RedstoneÃƒÂ¢Ã â ¬Ã Â• by C.E. Johnson since I had read Volume 1 of this series. This storyline is one fantastic adventure with

Emily Whayne, her Doberman Xena and her horse Bronte. Emily is on a journey to the greatest school of magic on Acacia so that she can increase her skills allowing her to rescue her godfather from the paramilitary group Blacksky. During her travels she soon meets an evil red magician named Cyril and is able to get his helmet from him which holds his magestone. I donÃƒÂ¢Ã â ¬Ã â„¢t want to give away too many details to the storyline because readers really need to buy this book and take the voyage for themselves. I will tell you that this story has magic, dragons, elves and so much more making it an astounding fantasy novel. This story swept me along on one exciting quest which moved along very quickly. I really had a hard time putting this book down once I started reading it because itÃƒÂ¢Ã â ¬Ã â„¢s so engaging. The first book in this series was a really well written storyline but I found this storyline even more exciting than Volume 1. What a great read for young adults and adult readers as well! The author has done an exceptional job of crafting a superb work of fiction. I highly recommend ÃƒÂ¢Ã â ¬Ã Å“The Ammolite Adventures: RedstoneÃƒÂ¢Ã â ¬Ã Â• to all readers who are looking for a brilliant book that draws you into the fantasy world that C.E. Johnson has created. A true five star read and IÃƒÂ¢Ã â ¬Ã â„¢m excited to read the next book in this series.

I originally became a fan of the author after reading her other work, ÃƒÂ¢Ã â ¬Ã Å“The Ammolite Adventures: BluestoneÃƒÂ¢Ã â ¬Ã Â• and although that left me quite impressed, I must say that I personally think this book is even better. IÃƒÂ¢Ã â ¬Ã â„¢m taking a guess here, but IÃƒÂ¢Ã â ¬Ã â„¢m assuming this was written quite a while after the other book (it is volume 2, after all), as it seems to me that the authorÃƒÂ¢Ã â ¬Ã â„¢s writing style has matured a great deal and it genuinely seems much more well-refined and constructed. Either way, the point is I am left more than satisfied yet again and it has given me yet another reason to keep being a fan of the author, as well as keeping an eye out for future release. I wonÃƒÂ¢Ã â ¬Ã â„¢t go into the details of the plot, as IÃƒÂ¢Ã â ¬Ã â„¢m sure most readers have a pretty deep understanding of the world that the author has crafted in the first book in this series and on that note, I would say to not look at this book as a standalone read ÃƒÂ¢Ã â ¬Ã â œ and instead I recommend starting at the beginning as this is a truly more than worthwhile series that should be experienced to itÃƒÂ¢Ã â ¬Ã â„¢s fullest extent. Definitely worth the read.

"The Ammolite Adventures: Redstone" is the second novel in the C.E. Johnson’s fantasy series. Centered around Emily Whayne, a more than ordinary fourteen-year-old girl following the routine regimen of going to school in Austin, now with her life in disarray.Emily has the ability to travel to

another world, Acacia, and now she has four important advantages that made her feel like a superhero. First, she had with her a formidable bondsmate, an enormous Doberman named Xena, with whom she was able to share thoughts and sensations. Second, she had skills amassed from years of training on Earth in sports selected by Dr. D: martial arts, swimming, horse- back riding, and fencing. Third, she was already adept with the basics of the physics of magic, taught to her by her godfather. And lastly, and per- haps most importantly, she had undergone a process called the ÃƒÂ¢Ã â ¬Ã Ëœheightening.ÃƒÂ¢Ã â ¬Ã â„¢If you look for another good fantasy and adventure book, this would be an excellent choice.

The Ammolite AdventuresRedstone Volume TwoBy C.E. JohnsonThe author C.E. Johnson has a writing style that I really enjoy. Her book entitled The Ammolite Adventures Redstone Volume Two is an entertaining fantasy that holds the reader's attention. Whether you are seven or seventy this story will be a fun read. Great cast of characters, including Dr. Andrew Dalton. Emily Wayne (Dalton), Hadrian Simura, Dysis Hoshi, Pendon, Ladon the dragon, and many more. The story starts off with Emily living in Austin, Texas and being transported to Acacia, which is a mystical land of dragons and magic. She meets up with Ladon the brown, scaled dragon and is given a gift of Xena her Doberman her bondsmate. Ladon also gives Emily a Shield that he built from his scales. It could be used to shield her from fire, magic, ice attacks, and conventional weapons. She meets many interesting people and creatures. She meets up with an Alitis who looked like a human with white wings and white hair who prized literature and writing books of adventure, poetry and history. They were the primary recorders of the events in Acacia. She also meets the evil king Cyril who was trained by Magnus Vadimus who makes the story come alive. His plan was to rule all of Acacia. One of my favorite lines from the story is when Ladon tells Emily ÃƒÂ¢Ã â ¬Ã Å“One bit of advice that will help you is to always trust in true friendship.ÃƒÂ¢Ã â ¬Ã Â• She is constantly helped by Pendon as well as Ladon the dragon. This story has lots of magic and tales of adventure. The descriptions of the market place and the lands surrounding the areas of the story are excellent. I rated it a solid 5 Stars. I would enjoy reading more by the talented storyteller C.E. Johnson.
