Customer Reviews

Nancy Diepenbrock RN, retired CCRN has worked in healthcare for more than 30 years. Her book, Quick Reference to Critical Care, was voted as LippincottÃ¢â ¬â„¢s Book of the year in 2008 by the American Journal of Nursing. She has volunteered internationally on mission trips with United Church of Christ. Zale Lipshy University Hospital nominated her for Ã¢â ¬Å“Nursing ExcellenceÃ¢â ¬Â• and as one of the Ã¢â ¬Å“Great 100Ã¢â ¬Â• nurses in Dallas, TX.Ã Â

Very useful for critical care unit. I was recommended this book and I agree with the recommendation. Not very big so I can keep it at my desk and refer to it while I work. It is basically goes by each system and defines terms, has black and white pictures, has charts or lab values, and various other items related to nursing care.

Great ICU reference book! Gives you details in an organized manner.

Great book! I have worked ICU for over 10 yrs and i have always found it helpful. I have people buy it and they love it.

I absolutely love this book. I keep it with me in my work back and refer to it throughout the night. It gives you the basics what you need to know without going into too much detail.

Very helpful. A lot of great info!

great for quick refreshers or general info in a critical care unit

Great resource , short and to the point

Great review and easy to use
