Synopsis

This is a limited time collection of 4 of Elizabeth Rose's novels. Whether it is a border lord, knight, or raider, these men might come across as dark and foreboding at first, but four strong women make them rethink their ways. These hardened warriors end up being not only protectors of the ladies, but also protectors of the heart.This set includes four novels from four different series. While each is part of a series they can all be read as stand alone novels.Amethyst - Book 4(Daughters of the Dagger Series)Medieval RomanceMarcus Montclair is a hardened border lord that wants the building of his castle finished. He is known to hold little respect for women, but that all changes when Amethyst de Burgh appears at his door. She's been sent by the bishop as assistant to the master mason building his castle. This is not a job any woman should hold, but Amethyst very quickly proves that she is not just any woman.The Dragon and the DreamWalker - Book 2(Elemental Series)Medieval, paranormal romanceDrake Pendragon saves the elemental Brynn from being sacrificed to the dragon that haunts the hills of Lornoon. He knows she is the lady of fire and needs her help on his mission. Brynn can control the element of fire, but water can kill her. When the handsome knight saves her life, she has no idea at first that he is a Pendragon and also the man who has seized her castle and claimed it as his own. Never would she help a man responsible for the death of her parents. The sparks fly between them, but soon turn to passion hotter than any fire - or at least in Brynn's dreamwalking form. She also has the ability to leave her body at will at night and travel amongst the world in her dreamwalking form without Drake knowing it. Or does he?Beast Lord - Book 3Beauty and the Beast(Tangled Tales Series)Medieval, paranormal romanceStefan de Bar is one of the cursed siblings that is being tormented by the old witch, Hecuba. When Lady Bonnibel returns home she finds a stranger ruling her family's castle and her father missing. She helps heal Sir Stephen, hoping he'll assist her in finding her father. But Stefan's anger is causing him to turn into a frightening beast. Can love break a curse and heal old wounds before the curse consumes him?Ruthless Knight - Book 2(Legendary Bastards of the Crown Series)Medieval romanceRook the Ruthless is one of the bastard triplets of the king, out for vengeance on the father who wanted them killed at birth. He helps his brothers raid the king, ruling from his hidden underground crypt which gives him the reputation of being the lord of the underworld. Lady Calliope is basically a prisoner in her own castle, traveling the catacombs in secret in order to come and go without being caught. One day she encounters a man in the catacombs that is dark and dangerous and travels with a raven on his shoulder.
