Synopsis

Losing has never been so much fun!In this interactive adventure story, YOU are Lucas LeBlanc, a simple farmer left by family tragedy to tend to your family farm so you can put your sister through the wizard academy. You are a scrawny young man with no meat on the bones. You're easy pickings for local robbers, so why has the goddess Veleda chosen you to be a world-saving hero? Her beautiful angel, Theora, certainly doesn't understand. Now it's up to you to confront the naughtiest monster girls one at a time and imprison them in a crystal harem in your sword. You have no special abilities, one night's training with Theora, and almost no chance. But thanks to Veleda, you have a thousand lives! You can meet a BAD END at the hands (or lips, feet, or just about anything else) of a horny monster girl only to be pulled through time and space by the goddess to fight again. Use your wits, devious strategy, or just give in to the desire and find out what happens when you lose. Again and again. This non-linear adventure includes 10 different endings, erotic training with a beautiful angel, and your first chance to explore the rewards of the Crystal Sanctum, where defeated monster girls become your allies and offer you pleasure.
