Customer Reviews

Eyewitness usually does a good job. This is Eyewitness Lite. Maybe the print version doesn’t weigh as much as a regular Eyewitness Guide. I don’t know as I bought it on Kindle. One thing I do know for sure is that this "guide" doesn’t have much more info than a feature article from a travel magazine. Save your money or buy the full-size guide.

My wife and I spent six days in St. Petersburg at the beginning of a Russian River cruse. This light weight, compact book was very helpful in describing and explaining what we should see and do (in priority order) during our visit.

Didn’t warn us how crowded it gets when the cruise ships disgorge their passengers all over the streets. Some of the restaurants are too kitschy for my taste. They may be okay for a tour group of old Soviet types. You can find better places on your own. Maps aren’t very functional; you would need a separate, detailed map or pay for internet access. Ended up not using the book very much--wasn’t very functional.

Didn’t receive the pull-out map and guide--disappointed because it’s a main feature of the TOP 10 Eyewitness Travel Guides..

Good size, great selection and pics. Would definitely buy again!
