Customer Reviews

I could not put this book down and I 'm NOT much of a reader. I read this book in two-three days but could have easily finished quicker, had I had the time to sit down one morning and start it. This book touches base on real life events that happen to everyday people that isn't necessarily talked out loud about. LOVED this book. Highly recommend it. I'm looking forward to the sequel of this book!

Our book club read this and everyone uniformly agreed it was an amazingly well written book. It touched on a lot of sensitive topics with grace and class. A must read!
