Customer Reviews

This was just as the title described, "Italy's best trips" but the itineraries were quite lengthy and didn't jibe with our 8 days in the country. If I'd browsed through the pages in a bookstore, I wouldn't have bought it. Also in the age of smart phones, I'm not sure how relevant accommodation recommendations are. We almost didn't take it with us - and didn't refer to it while we were there. We left it with our Airbnb host in Florence.
