Synopsis

One Frustrated Man’s Apocalypse StoryEvery dream might now come true. My apocalyptic princess is out there, a former cheerleader who used to dance on the sideline for one of our fine Texas football teams, a fair-haired beauty with all the right assets invested in all the right places, and about my age.I know, hard to believe. But she lives on the south side of Houston, forty miles on the other side of infestation central. Can I get there? Alive? I don’t know, but I’m going to try.
