Synopsis

THE CRIME SERIES WITH OVER 1.5 MILLION DOWNLOADS and 20,000+ REVIEWSNew York Times & USA Today Bestselling Mystery Series** Summer beach reads new release - NEXT GIRL ON THE LIST - a gripping serial killer thriller **++ Novella ++A prestigious job at a top law firm, a beautiful home, and a gorgeous wife all made for an ideal life. But then life gets in the way and changes the course you have selected. For Mac McRyan, a family tragedy meant forgoing a lucrative legal career for one in the "family business" - the St. Paul Police Department. After four years as a cop, the ruggedly handsome Mac crosses the crime scene tape for the first time as a homicide detective. The back alley murder of a young trial lawyer from a high profile law firm doesn't add up. In an emotionally charged investigation full of unexpected twists and turns, Mac will need to follow a convoluted trail of evidence, secrets, and hidden agendas to help solve a murder mystery that is his FIRST CASE.New York Times and USA Today bestselling author, Roger Stelljes, delivers a short mystery novel (12 chapter novella) that is the prequel to the McRyan Mystery Series.DETECTIVE MAC MCRYAN MYSTERY, THRILLER AND CRIME SERIES:(Try it for free in audio click - Audible Book Trial box)FIRST CASE: Murder Alley (novella) - Book 1 - $1.99 Audible NarrationTHE ST. Fans of mysteries, thrillers and suspense will enjoy this fast-moving story of murder, mystery, and suspense; the cast of colorful characters, and its setting in and around historic St. Paul, Minnesota.MAC MCRYAN MYSTERY, THRILLER AND CRIME SERIES:"What a great ride! The story of McRyan's first case was thrilling. I couldn't put it down...read the entire story in one sitting!""What an excellent first novel!!! I plan to get all the other books that I've seen in Kindle by him.""Mac, murder, marriage and one hell of an ending. Super read!""I really enjoyed this book. I am just starting the McRyan series and look forward to each book. I highly recommend this series to every mystery reader.""You're going to love this writer! A prequel and tightly written book that creates a wonderful foundation to build the future McRyan mysteries.""Stelljes ties everything together beautifully - life, crime and suspense and leaves you wondering how he could have imagined the twist. The finer details make

this book (and the rest of his series) close to James Patterson and Patterson BookShots."

Customer Reviews

A very short book that seemed like it was just trying to "set a stage" or something for future books? I don’t know because I haven’t read any others by this author. It was a very quick read about an uninteresting murder in an alley behind a bar. The perpetrator couldn’t really be guessed because we weren’t given anything about him while we were told about others instead to suspect. The only interesting part to me was at the end when we got the background for his marriage problem.

Loved the flow of the story. There was not a lot of over description of people or scenes. Just enough to keep you wanting more. Easily fell for the main character, Mac. Can’t wait to read to read more.

What a great way to start a series! I loved the characters in it "Dick Lick, and his other protege." His reason for getting into the Police Force, and his relationship with his with wife! Great beginning! I’ve already downloaded and began your second book. Looking forward to it!

Dont really know what to think. For some reason this book just left me kinda flat. Nothing really grabbed my attention. It did,however, move pretty fast. Maybe this was the beginning of a new character. I would give a sequel with the same lead character a whirl.

I found this a really easy reasd. The characters werewell drawn and the plot moves along at a good steady paace. Having read a few books by this author, I find the reading very relaxing with a touch of light humour so there is not darkness pervading the plot. Would recommend this as a good light read

I first thought this was going to be a "daddy was a cop and now I'm one too". But it was a fast paced novella. Points made, investigated,the end. I liked the flow of rhe authors wtiting. Can't wait to read the rest, hope I'm not disappointed

What a great story! Mac is proving to be a cops cop. With skills handed down through watching his father be the bestcop/detective on the force and his years of law school he isdestined to be unstoppable! Mr. Stelljes character and scene building are spectacular, you will find yourself personally involved before you know it. I'm so glad I ordered the whole set of Mac mysteries (based solely on the written reviews), I can't wait to start the next one!See folks, your written reviews really do matter!

If you are used to reading mysteries by Lee Child or Daniel Silva, you will be very disappointed in this book. It is like cotton candy. There is no substance. I can't even say how I felt about the book. It was just blah.
