Synopsis

Justice always finds a way. Always. When respected scientist Alfred Winslow is found dead in Ryders Alley, New York City, his adversary Mitchell Clayton is arrested and charged. With a love for defending outrageous clients, criminal defense lawyer Dean Wilder is hired to defend a client that nobody else will touch. Mitchell ClaytonÃ¢â ¬â„¢s public persona is a free-loving hippie whose desire for making the world a better place drives his business. In reality, he is a rich, smart business man with ideas that stray far from normal. And Wilder knows that where there is money, there is trouble. With fanatical business supporters, Clayton is a cult-like figure to his followers. Any of them could have knocked off his antagonist. As Wilder investigates the murder case; trouble seems to follow him.And that is just the way Dean Wilder loves itÃ¢â ¬Â|***Imagine reading a legal thriller that takes you for a ride through the streets of New York City, and leaves you with twists and turns that you didnÃ¢â ¬â„¢t see coming. Welcome to the Dean Wilder Legal Thriller series.

Customer Reviews

Light reading for the summer

Defense attorney Dean Wilder is an interesting personality and only represents clients he believes to be innocent. I especially enjoy courtroom drama, and there are many descriptive scenes with twists to the end. Looking forward to the 3rd Dean Wilder case!

Please hire a good editor! Good book, really enjoyed it for the two hours it took to read it but tiring trying to figure what was intended be said instead of what was said.

Childlike writing. It appeared as if it hadn't been edited. Perhaps written in about the time it took me to read

Well written

This story was implausible with predictable characters. The trial was full of unsatisfying testifying and a ridiculous Perry Mason confession at the end.
