Customer Reviews

"Once again Linda Chestney has authored an excellent book for the touring cyclist, and families as well. The 'personal touch' included with the ride descriptions helps the reader know what to expect around the next turn." - Dave Topham, League of American Bicyclists" --This text refers to an alternate Paperback edition.

This is a well-laid out, easy to use guide to bike rides. I look forward to exploring it. It's conversational and personal, not packed with metadata. Rides are described the way a friend might tell you what to look for. It's light and small and would fit easily in a backpack.
