Customer Reviews

Perfect gift for the spiritual woman friend, relative, loved-one, whomever. There is a prayer or reading for every occasion. Biggest surprise? The book has more pages than I thought (I know, that information is readily available) and it is quite an attractive book. I gave it to a non-Baha'i woman and she wants to orders for her friends and family. I guess it has wider appeal that I initially thought.

Beautiful prayers and writings of the Baha'i Faith that are especially meaningful to women. They are arranged under specific topics which may be meaningful but should not be restrictive.

Wonderful selection of passages and prayers from the Baha'i Writings, some of which I have not

encountered before.

Wow, it is the prayer book of the year. I love this book. Buy this book. You will grow spiritual and wise..

Best spiritual book I've yet found

This is well written and useful for more than just Bahai women. It contains prayers for all types of women's issues.

Anyone reading these verses with an open mind must find spiritual power within. Find other works of Baha'u'llah online, or bookstores.

This is a beautiful and inspirational compilation of Baha'i writings - I love this book so much I have bought numerous copies for friends and relatives. It's more substantial than I had expected, with prayers and readings for many different occasions.
