Synopsis

When the Protocols of the Learned Elders of Zion were first discovered, Freemasons and Zionist Jews everywhere screamed and complained that these 24 Protocols are a hoax, a forgery, even a blood taint against the Jews. But then came the brutal and barbaric Communist Bolshevik Revolution in Russia and its captive republics, led by covert Masonic JewsÃ¢â ¬â •Lenin, Trotsky, Kaganovich, and others. The cruel and sinister crimes of the crypto Jew revolutionaries seemed to have jumped off the pages of the Protocols. The Red Terror, with its torturous massacres of innocent people, its monstrous gulag concentration camps, and the setting up of a Jewish dictatorship, also followed the agenda of the Protocols as did the persecution everywhere of Christians and churches. The entire world witnessed horrors that were unquestionably a direct result of the heinous prescriptions laid out earlier in the Protocols. To this day, almost a century later, the sweep of history has proven the Protocols to be genuine, authentic, and a real-life rendering of the most tragic events that have bedeviled mankind. One nation after another has suffered, and now the Zionist psychopaths have targeted the United States and Western Europe. The Protocols continue to ring true and sound the alarm. If we close our eyes and ears and fail to heed this alarm, we will surely find ourselves in great peril. Our very survival depends on our unmasking the agenda set forth in the Protocols of the Zionist and Masonic elite for a Big Brother Police State and a New World Order.

A Message from the Anti-Defamation LeagueThe Protocols of the Elders of Zion, circulated by the

Czarist secret police at the turn of the 20th century, is plainly and simply a plagiarized forgery. "The Protocols" has been a major weapon in the arsenals of anti-Semites around the world, republished and circulated by individuals, hate groups and governments to convince the gullible as well as the bigoted that Jews have schemed and plotted to take over the world.Note from does not endorse The Protocols of the Learned Elders of Zion. This book is one of the most infamous, and tragically influential, examples of racist propaganda ever written. It may be useful to some as a tool in the teaching of the history of anti-Semitism, but it's unquestionably propaganda.Does sell this book? We do, along with millions of other titles. The importance of this book resides in the history and action of the chosen people of Adonai. I love it.

A must read to understand our screwed up world.

A good analysis and insight into our world today, well predicted!

This is literature, not 'prophecy' or 'conspiracy theory. That said, it is prophetic.

Read this book and you'll never be the same. No excuses, no doubts , no escape.

Published in 1905...(said to be from before 1900)..it's like a road map to history from then till now.....those who criticize it seldom criticize what is in it, only making a big issue out of who wrote it! Personally....I don't care if Mickey Mouse wrote it! It's an accurate description of the exploitation of non Jews in the world, and if all happens as the book says.....their enslavement....no 'if, and or buts' about it!

it’s good historical information.

This is a very disturbing book. Though its origins are controversial, it is a force to be contended with. It advocates deceit,manipulation, and aggression to gain world control. This is a book that one needs to read for oneself and draw one’s own conclusions. If it is right, it matters. It indicates a very malicious power at work behind today’s headlines. Read it and see what you think.
