"Day Trips is crammed with minivacation ideas that let you roam to your heart’s delight on a shoestring budget."--The Kansas City Star --This text refers to an out of print or unavailable edition of this title.

Enjoy a welcome change of pace and discover a world you may not know exists in your own backyard. Day Trips describes hundreds of fascinating and exciting things to do, most within a two-hour drive of Kansas City. Each Day Trip includes travel directions, destination highlights, other places to visit along the way, choice restaurants and lodging (including price ranges) and shopping. (5 1/2 x 8 1/2, 256 pages, maps)

Whenever I feel stressed out, I get on a two-lane highway, with this book in hand, and go to off-the-beaten path places that are great fun. Last week I went to two small towns only 30 minutes from where I live in Kansas City and shopped at antique stores, had lunch at a fabulous cafe, and got some great gifts thanks to this little guide. Indispensable. Wouldn't be without it!

This is a fun book. Everyone in the KC area should have it, whether you have children or not.

I have not read this book but I was told about it by someone on my Clinton Main Street Board. The book evidently does not include Clinton, Missouri in its data. I would like to visit with the author regarding her statistics and question her as to why Clinton, Missouri was not included in the 2-hour radius of Kansas City, MO. Clinton has recently received an award as an All America City for the year 2000. With a population of approx. 10,000 and close in proximity to Truman Lake, we have a lot to offer. We are approximately 1/2 way between KC and Springfield, as the "crow flies". I am Project Manager for Clinton Main Street and can be reached at the above email address or my phone # is 660-885-2121. I would like to invite Shifra to our community and would like her to reconsider Clinton, Missouri as a viable tourist area within a 2-hour radius of KCMO.Thank you - Marsha Dark Project Manager Clinton Main Street PO Box 173 Clinton, MO 64735
