Synopsis

I personally am the type of traveler who likes to experience as much as I can. I want to live like the locals, see what they see, and sometimes that means partaking in some not so legal activities. I created this guide to help you get out of that regular tourist trap. This isnt your typical travel guide. Enjoy

Customer Reviews

My review was actually previously presented in my overly long introduction review cited as actually being the introduction of this book review.

Too sketchy! I know I will be able to write better than this, no problem. So this article, certainly not even considered a book, gives me confidence about accepting my story for kindle. thanks for the inspiration, guy johnson.
