## Synopsis

Tim Carhardt is drifting through life with one goal: survival. Jamie Maxwell believes she can becomeÃ¢â ¬â •no, will becomeÃ¢â ¬â •the first female winner of the Cup. But life isn't always as easy as it seems. What happens when dreams and faith hit the wall? You don't want to miss a second of the action. In the trademark page-turner style used by Chris Fabry in the Left Behind: The Kids series, these fast-paced books will keep even reluctant readers on the edge of their seats. Go behind the scenes of America's most-watched sport to see what it's like inside a 200-mph racecar as engines rev and lives collide.

## Customer Reviews

Five stars. So far this is the best book in the series. It shows a whole lot of feelings, caring, and has action. It not only teaches about Christianity but also teaches about NASCAR and what really can happen. I recommend this book to all ages.

Good thanks

I love this series, and even though they are for the younger reader, I think they have much depth and things to learn. Good writing always, Chris Fabry.

Our 10 year old son is very happy to have a series about NASAR! Even though one of the main characters is a girl, he burned through these books very quickly and is looking forward to reading the series again.

This was a fantastic read. Chris Fabry has an excellent way of story telling! I am sorry that this was the last of the series. Another great book by Chris is Mandolin.

My sons, 14 and 10, hate to read. I mean hate with a capital H! But they LOVE racing. So when I found this book, I was praying it would inspire them to do some reading. And it did! It kept them interested the whole way through and they loved it! They actually asked to read more of the RPM series!

Checkered Flag is another excellent book in the RPM series by Chris Fabry. I appreciate that one of our main characters is a girl with an interest in racing. This is another book that fully engages young readers. I highly recommend.
