Synopsis

The fifteen-year-old who was the very first immigrant of any nationality to land at the famous handling station at Ellis Island, New York, has now become a young woman of twenty. Annie returns to New York and her family and friends after her two-year stay in the Wild West. She is excited by all the opportunities New York has to offer her, but especially by the prospect of spending more time with Mike Tierney, the young man she loves.

Customer Reviews

Eithne Loughrey has worked as a drama teacher in Ireland and abroad and as a sub-editor with the Sunday Tribune. She worked as a features writer with the Irish Independent until 1995. Two previous titles in the Annie Moore series, Annie Moore: First in Line for America (1999) and Anne Moore: the Golden Dollar Girl (2000) were both published by Mercier Press.

I've read all three in the series and was disappointed when each one ended. I love Eithne Loughreys' style of writing and I love books of this genre.I wish she had written more and if she HAS written more I'm unaware of, I hope somehow somewhere I'd find out. Without even reading a sample, I'd order any book of hers right off the bat. If you like this genre, you've GOT to read these 3 in their proper order. You won't be disappointed.

I was sad to see the series come to an end. I felt as if I knew Annie after watching her grow up after immigrating to America 5 years earlier. I'm not going to write much because I don't want to spoil it

for anyone that is reading the trilogy. So, all I'm going to say is "I'm glad I chose to read all the books back to back and I loved every page".Enjoy,Susan
