(12x13) African American Art 12-Month 2013 Wall Calendar

This picture calendar has a variety of styles of African American art. It’s a joy to look through. The cells are large enough for notes and scheduling. I try to get a copy of this calendar each year and have always been very pleased with it.

The collection of photographs are amazing. The calendar artists include Charles White and Jacob Lawrence. I am glad I purchased it.

Always a mix of works that are none and artists less known and/or forgotten. Good quality as well. buy it!

I look forward to seeing the new calendar every year, and this year did not disappoint. I particularly enjoyed the Jacob Lawrence painting Clown, which despite being very familiar with his work, I had never seen. I was also happy to see the Charles White and William H. Johnson works. I highly recommend hhis calendar and other products published by Pomegranate.
