Synopsis

Developed with AAA! The Driver Education program that helps students manage the risks and responsibilities of driving. This classroom-tested program has been updated to reflect the changes surrounding teen driving - from graduated driver licensing to zero tolerance laws to information about vehicle maintenance. There's even a brand-new chapter that emphasizes the facts about driving today's larger, heavier sport utility vehicles, pickup trucks, and vans.

Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

Good textbook. Still reliable even if dated, but gets the basic job done.

This was a good comprehensive book. It was required by the driver's ed teacher. After working through the book a written test was give in order for the student to apply for their driver's permit

A+ seller exactly as described
