The magnetic pieces (clothes) were VERY hard to get out the first time and then they don’t stay in after that so that is VERY frustrating. We have to keep a zip loc baggie with the book with all the pieces in it. I have to admit the reason that I bought the book was because it seemed like the pieces would pop back into their original places in the inside covers of the book but they just fall out. It was definitely overpriced considering these issues but it is a cute book.

I got this for my granddaughter. She LOVES it. My daughter said that she saw this book two years

ago and didn't buy it. Then when she wanted to buy it, she couldn't find it. When she saw it on , she put it on the wish list immediately. Figuring that if no one bought it for Christmas, then she would get it after Christmas. My granddaughter loves mixing up the outfits.

This is a very cute book. I bought it for my two year old son who loves lift the flap books. He is not really interested in it yet - I think it may be better for a 2.5-3 year old.
