## Synopsis

The second of three volumes, Ladies of Gold Volume Two continues the comprehensive presentation of the visions of the King of Kings experienced by Frances Metcalfe and the other members of the Golden Candlestick. This fellowship of Christians attuned to the guidance of the Holy Spirit shared their visions with others, communicating the essence of their moments of rapture when they were translated into the heavenly realms. This collection presents various visions and a miscellany of excerpts that give a taste of the riches recorded in the journals, missionariesÃ¢â ¬â„¢ notes, and newsletters of the fellowship.

James Maloney is the president of The ACTS Group International, an apostolic vehicle for activating, counseling, and training in the supernatural. He is also president of Dove on the Rise International and a leader in developing ministers and supporting overseas crusades.Ã Â

Less of a history and more of the results of this group seeking God. One really cannot ’rate’ these as they are what they are: praises, revelations, heart-felt expressions of love to the Father.If one is really, truly, seeking the Father, and His Ways, these 3 will be of value; otherwise, don’t waste the money, it will have little meaning.Many many things to ponder, such as God’s time and man’s. Just a few years ago, I saw the difference and have countined to change my lifestyle as a result. In these three, have seen that others recognized the difference, and what it can mean for us. Recommend

highly all three.

I so wanted to learn more about Frances Metcalfe, but all 3 volumes are a bit difficult to read. I do understand they all are just transcriptions of her journals. It would be so great if someone who is an excellent writer could take this material and reformat it. This group of intercessors has so many precious jewels to mine!

Love J Maloney’s books -- all of them are exceptional!

The walk that God took these ladies is awesome and true to the Word of God. One could desire to have the same experiences as they did with the understanding of how it must line up with the Bible. I can ready see how some who claim to have had some of these supernatural encounters but they lack in lining up with God’s Word. This is a must for anyone seeking to understand the Spiritual Realm. Apostle D W Trusty

I came away with a greater respect of the fore runners God chose to make the journey into a new place in the spirit realm.They had no preset path to follow only that of the Holy Spirit Himself which is Who we should always listen too but if the truth be know it’s a lot to take in when It’s just you and God. Very inspiring.

I love this book. I have read it 5 times. This is a book that everyone should read if you want a closer walk with God.

Love the poetry and info about the stars. Awesome! Also revelation about Esther, ’Into His royal garden The King invited me,Thru the golden portals He led me tenderly...’

As per Volume 1, this was another wonderful read. Like Volume 1, it made me hungrier for more and more of the Lord. Currently reading Volume 3 and so far it’s right up there with Vol 1 & 2.
