Customer Reviews

Workman Publishing Company has been producing award-winning calendars, cookbooks, parenting guides, and childrenÃ¢â ¬â„¢s titles, as well as gardening, humor, self-help, and business books, since 1968. From our What to ExpectÃ Â® pregnancy and parenting series and Page-A-DayÃ Â® Calendars to the iconic 1,000 Places to See Before You DieÃ Â® and Brain QuestÃ Â® children's products, our wide range of high-quality non-fiction titles and products inspire, educate, and entertain readers around the globe.

This is a great calendar. It made a great gift and the person receiving was thrilled. The quality of the paper is top notch and the graphics and photography are highlighted and enhanced by the high end printing that was probably used to make the images simple pop! Each day removes to reveal the one underneath it. Fascinating tidbits of information are presented about the pieces highlighted drawing you into the calendar. Every day becomes an event to get to the next page. I have

purchased other calendars from Workman, this is my favorite. For a person into jewelry, this calendar is the next best thing to going to a high end museum. Well worth it. I highly recommend this product.

Awesome as always - the page a day gallery calendars are printed on heavy paper and the printing is always great. Beautiful pictures every day. I give these as gifts every year and my giftees can hardly wait to get their new calendars. A very popular gift. ;o)

Beautiful, thought-provoking pieces in this collection! I have it on my desk at work, and I have even had some colleagues who don’t care about jewelry ask me about them! Many of these pieces are historical, and tell about a culture, in addition to just being "pretty to look at". High quality paper lets me save those images that I like to a paper art journal that I keep.

Great holiday gift for those that love jewelry and check out the shoes Page-A-Day for shoe lovers.

I LOVE this calendar and have been getting it for the past four years. I like the style. I use it at work and can add paper notes and reminders in between the future days. The pictures are a bonus! I love the jewelry. I have also had the shoe calendar - also a great one !

Beautifully photographed and a lush treat every day!

Bought this as a gift. I had a similar calendar and loved it. The person I bought the calendar for loved it as well. Very satisfied and is fun to turn the page and find new and unique jewelry.

Gorgeous calendar. Great way to learn about vintage jewelry or just admire it. Could have used clearer instructions on how to attach the pedestal.
