Customer Reviews

This map is just of Kansas City proper, not metro. No help for any of the outlying towns and cities.

Bought for my mother and she likes it. Took too long to arrive, but she is happy now.

Hadn’t been back to KC in some 15 years; would have been lost without it.

Looks good to me. Will use it as a back-up to my GPS when I’m in KC.

Everything was as promised. It arrived in great shape and faster than I expected. I was very happy with the map.

great

large detailed map; easy to read; GPS provides small view whereas this is wide ranging

Works just as well as other maps.
