Is it right to kill Satan's hit man? Would it help God's work? This installment in the Left Behind series picks up with Rayford Steele--"believer" and international fugitive--as he struggles with a plan to assassinate Antichrist Nicolae Carpathia. Meanwhile, Carpathia has been busy rebuilding roads, airports, and a cellular/solar satellite phone system--all designed to help him become supreme ruler of the world--and even claim himself to be God. We also find ace reporter Buck Williams anonymously preaching to the masses of believers and converts through his cyberspace magazine The Truth. All the believers in the safe house, including Buck, Doc, Chloe, and Tsion, are suspicious of Hattie--former mistress of Carpathia--who claims to be a believer but may have already compromised their secret location when she tried to buy her way to Europe months before. Fans of

the series won’t be disappointed. Jenkins’s signature writing is at full force. Readers can count on a suspenseful plot, imaginative futuristic thinking, and familiar characters, all of which appear in the opening pages and are sustained until the last cliffhanger scene when God unleashes another earth-shattering disaster. --This text refers to an out of print or unavailable edition of this title.

In the continuing struggle after the Rapture, Rayford Steele and Buck Williams plan to dethrone Nicolae Carpathia and expose him as the Antichrist. LaHaye and Jenkins (Apollyon) build up a plot reminiscent of "Who Shot J.R.?" and leave us hanging after the assassination of Nicolae. Who did it, is he really dead, and when is the next book coming out? As the millennium approaches, so does interest in this series, so don’t be "left behind." This book is an accurate representation of the end times, following the biblical prhophesie, the rapture. As this book depicts the Two witnesses death and resurrection and the Antichrists death, it is thrilling. As we follow Rayford on his quest to be the chosen one to kill Carpathia the Antichrist we are left with not knowing who was the assaian. Was it Rayford with his very technological advanced saber pistol? Or Chaim who has just suffered from a stroke, but has manufactured unspeakably sharp blades made by hand. Or was it Mac. Carrying his pistol aligned directly behind Carpathia. Left with a cliff hanger like no other book it sure has me wanting more.

Please see other reviews I’ve made in these series of books. Men’s writing trying to explain the Bible and how it effects us and a book for us to enjoy reading. Please try and read all the series starting from book one. If your not a believer, maybe these books will help you along with your journey through life. If you are a believer and read the Bible you will enjoy these books more as you can relate to what the Bible tells us and in knowing all words in the Bible are all inspired by God. The wonderful thing about reading the series, they are written for all ages to understand. God Bless.

I lost my original set of the 16 books of this series when I moved to another state. I was heart-broken to say the least. Thanks to the sellers on I have replaced every book atvery reasonable prices.Thank you Tim LaHaye & Jerry Jenkins for bringing this series to us. I have read several ofyour books in this series at least three times. With each reading one sees more and more andunderstands so much more of what the Gospels are teaching us. I also have their book"Are We Living In End Times".....this book may have been published in 2000... but for the 27 %of the

Gospels that we don’t spend time to study about...it’s astonishing how much of this bookreflects the world today in 2013. A MUST READ ALSO to have in conjunction with the Left Behind Series.

This installment in the Left Behind series shows much more of the depravity that unsaved mankind has embraced. In some parts it is deplorable but undoubtedly accurate in spite of none of it having actually taken place yet. I was disgusted by the timely but gruesome end to the beloved witnesses, but I was also thrilled at the beautiful depiction of their resurrection and ascension to. Heaven. The death of Nicholae was well written and I was grateful that the inspired writers chose not to include his return to life in the same book. I look forward to reading the rest of these divinely inspired books which have taught me so much without the dryness of a textbook, and I would recommend them to any believer young or mature in the relationship with Jesus Christ.

I AM VERY FAMILIAR WITH THE ENTIRE LEFT BEHIND SERIES. THIS IS MY 2ND TIME THROUGH.

Fantastic! This book is the 6 th the Left Behind series, based on the book of Revelation in the Bible. They are all wonderful. I have trouble putting them down. I find this series interesting and helpful in understanding the book of Revelation prophesies.
