Chloe Perkins is the editor and author of a few dozen books for children. She lives in Philadelphia, Pennsylvania, with her husband, Rico, and their corgi puppy/sometimes shark, Marius. Growing up in a small town in Ohio, Chloe always dreamed of writing stories that could take kids on their own reading adventures, and sheÃ¢â ¬â„¢s thrilled to be doing just that!Tom WoolleyÃ Â is an

illustrator who works on childrenÃ¢â ¬â„¢s books and colorful maps. He lives in the historic City of Bradford in West Yorkshire in the United Kingdom. When not busy illustrating, Tom likes to ride his bike and loves to travel and explore new places.Ã Â

This was a great supplemental resource to our class' unit on Mexico!

Great overview for kids-we read as part of our Mexico unit in an International Cultures class and they enjoyed.

Completed introduction about Mexico.

Great book for kids. Gives a lot of concise information in an easy to read format. My six year was excited to see mention of Frida Kahlo and Day of the Dead. Also it is nice that it highlights not only the differences of children from around the world, but the similarities too. I highly recommend this book.

Two of our grandchildren live in Mexico City. I bought it for them. They loved it and it was written well.

I was looking into buying these books to teach my daughter about multiculturalism. We are mexicans and just looking at the preview pictures it gives such wrong info that it made me doubt all the others. Mexico City was not built on top of an ancient city Guadalajara, it was built on top of Tenochtitlan. Guadalajara is the actual capital of the State of Jalisco. Watch out!

Not what I expected at all. This is a book for little kids. Is it necessary to mention the "Day of the Dead" celebrations? There are many locations not mentioned. Also, brushing teeth and combing one's hair is not limited to Mexico. Disappointed.
