Customer Reviews

Thanks you so much for this marvelously informative book. I have long struggled how to share the joys of addiction and opiate abuse with my precious offspring. In these challenging times, it's so nice to know there are people like you who can share their experience, strength, and hope with generations to come.

Wow, this book was a true inspiration to my children! As soon as I read this book to my children, they immediately started building opium dens out of the sofa cushions and playing "Who's Stonier?"

Little Courtney has been lying face-down on the carpeting for a half hour, and Joshua is in the bathroom making "track marks" with a safety pin. Awesome book!
