I run a library at our church and I am always looking for ways to get kids in to read. I especially search for things that the boys will come in for and this title promised to do that. I also purchased the series called Elijah Creek and the Armor of God and they also promised to be full of adventure like the Commander Kellie books.

Thank you! Kids are away visiting family and will read it upon return.

My kids and grandkids love these.

My kids loved this book. This series is wonderful, providing an entertaining read with a good biblical foundation. I enjoyed reading it, too!

Really like this book. Won't give it 5 stars bc I haven't read it through yet
