Synopsis

The Crimebusters begin a career of solving mysteries in Milly HowardÃ¢â ¬â„¢s Christian fiction novel, The Case of the Dognapped Cat. A mystery book for kids, Dognapped Cat introduces the team as it takes on its first case: disappearance of neighborhood dogs. Pet lovers will especially pull for the success of the Crimebusters on this case and will get to meet some unusual characters along the way. No list of books for kids would be complete without this rollicking mystery from JourneyForth Books.

Customer Reviews

Bought my girls this for Christmas, they have both already read it and loved it

I read this book every year with my 3rd grade class and they love it! Milly Howard is a great author! My students love that they are about the same age as the characters!

This is a good book for 8-10 year old readers who like mysteries I liked it because it is slow developing :)!
