Synopsis

The newly updated third edition of The Dodgers Encyclopedia is the definitive book on Brooklyn and Los Angeles Dodgers baseball. It traces the history of one of Major League BaseballÃ¢â ¬â„¢s most successful organizations, from the fledgling beginnings of its predecessors in rural Brooklyn over 145 years ago, through their formative years in the major leagues. More than just a tome of facts, this book covers every important event with vivid detail—every no-hitter, every World Series, every tragedy and triumph of Dodgers baseball is captured in this fascinating reference. Within these pages, readers will also find biographies of over 100 of the best players to ever don the Dodgers uniform. Fans will find all their favorites, from the unbeatable James Creighton in 1860 to Sandy Koufax, Fernando Valenzuela, Mike Piazza, and more. Newly updated through the 2010–2011 season, The Dodgers Encyclopedia is a must-have for any Dodgers fan.

Customer Reviews

William F. McNeil is an award-winning baseball historian with a passion for bringing little known baseball facts to light. He has written over a dozen baseball books, including Black Baseball Out of Season, BaseballÃ¢â ¬â„¢s Other All-Stars, and The Evolution of Pitching in Major League Baseball. A member of the Society for Baseball Research, McNeil has been a four-time recipient of the Robert Peterson Award. He lives in Pittsfield, Massachusetts.

He loves it

Have not had a chance to read any of it yet, but since I love the dodgers it should be Great.

Everything you would like to know about the Dodgers

fun reading gave it to my brother for christmas he is a huge dodger fan

Great price for this product! Full of fun information and black & white pictures. It was a gift, and the recipient loved it.

Great!

I have been a Dodger fan since I was kid and they were in Brooklyn always getting beat by the Yankees. This book covers everything you wish to know brought up to date. For me reading about my old players in Brooklyn was a treat. The players and the history are all here. This 69 year old man loves this book. Love the Dodgers?? BUY IT.

If you are interested in a concise history of the Dodger franchise from the late 1800's up to 2012, this is an excellent resource. Especially liked the listing of all Dodger pitchers and position players and their stats.
