Bradford D. Jordan is Professor of Finance and holder of the Richard W. and Janis H. Furst Endowed Chair in Finance at the University of Kentucky. He has a longstanding interest in both applied and theoretical issues in corporate finance and has extensive experience teaching all levels of corporate finance and financial management policy.Ã Â Stephen Ross is presently the Franco Modigliani Professor of Finance and Economics at the Sloan School of Management, Massachusetts Institute of Technology. Ã Â One of the most widely published authors in finance and economics, Professor Ross is recognized for his work in developing the Arbitrage Pricing Theory and his substantial contributions to the discipline through his research in signaling, agency

theory, option pricing, and the theory of the term structure of interest rates, among other topics. Ã Â A past president of the American Finance Association, he currently serves as an associate editor of several academic and practitioner journals. Ã Â He is a trustee of CalTech, a director of the College Retirement Equity Fund (CREF), and Freddie Mac. Ã Â He is also the co-chairman of Roll and Ross Asset Management Corporation.Randolph W.Westerfield is Dean Emeritus of the University of Southern California's Marshall School of Business and is the Charles B. Thornton Professor of Finance. He came to USC from the Wharton School, University of Pennsylvania, where he was the chairman of the finance department and a member of the finance faculty for 20 years.

Works perfectly! After I received this, I compared the ISBN number on the back to a fellow student's card code that was packaged with her loose-leaf book edition, and it was the exact same ISBN number. Saved me a great deal of money!

Great price. Bought it after using the free trial, the transition worked perfectly.

OMG this saved me so much money, like 85 dollars. I highly recommend it over purchasing from the company directly.

Worked as expected! Saved a ton of money!

Fast shipping, everything seems good with the connect code, saved me money, thanks!

It definitely met my expectations and saved me $60.. good grief... I recommend!

Great product and legitimate description.

As advertised
