Best planner I've ever ordered.

Beautiful. Had one of Katie Daisy for last year and I used it to keep little notes about my daughter's first year. So glad I did. Using this one for child number two first year. I hope it "loves this life". So glad they made another one. I'm so happy to have found this one!

Though the planner is beyond cute, when I received it the top of the front cover was peeling back. Yes it is a minor wear but since it is not hard back I know it will just continue to peel further quite easily.Of course it isn't the end all be all of hating this product, the planner itself is adorable. But when you buy something no matter how cheap or expensive you'd like it to be 100% intact.

This is a beautiful planner! It's also small enough for your purse and not too thick. It's about 3/4 of an inch thickness. It's just so pretty and makes me happy to leaf through the pages. Extra pages for lists and thoughts too if you like to reflect! Very pretty! An inside pocket and a banded closure are also must haves for me and it has both! Love it!

just what i needed

I don't normally post reviews but I just received this planner and I am obsessed. The artwork and creativity is exactly what I have been looking for. Thank you so much.

I love it I just wish it had been a little bit bigger.

WOW! I have been through so many planners including the most popular, spendy ones and this hands down is the BEST planner ever! Not only is it cute, but its the perfect size so I can throw it in my purse - but with that it still has lots of room to write in. I love the encouraging pages in between and I love the layout! I would definitely recommend and I plan on hunting one down for next year if available!
