Synopsis

An award-winning garden designerÃ¢â ¬â„¢s unique union of a practical how-to book with stories and philosophy Ã Â The Wild Way is a step-by-step manual to creating a garden in harmony with the life force in the earth, addressing not only what the people in charge of the land want but also asking what the land wants to become. Mary Reynolds demonstrates how to create a groundbreaking garden that is not simply a solitary space but an expanding, living, interconnected ecosystem. Drawing on old Irish ways and methods of working with the land, this beautiful book is both art and inspiration for any garden lover seeking to create a positive, natural space.

Customer Reviews

Beautifully written book! Cannot wait for the movie about Mary’s life to come out.Her intentions are clear - healing the earth - and the instructions make it possible for any gardener to use their intuition to connect with the land they have the privilege of attending and caring for. Here is a wonderful interview with Mary: [...]

It’s as if Mary Reynolds opened up a window to the heart within me that was waiting to be put to

words. A rich mystical book that reminds us we have become too far removed from the simple relationship with the earth meant for us by our creator. Truly wonderful!

A must read for any gardener, young or old!!

beautifully written, art work is gorgeous, love love love it

wonderful!

Good book.

The art of Sacred Gardening,Mary Reynolds understands nature. She is the Frank Lloyd Wright of landscape architecture. ÃƒÂ Ã Å¸Ã â ˆÃ Â•ÃƒÂ Ã Å¸Ã â ˆÃ Â•

Love this book. Reading it over and over to absorb all the wonderful information to help me connect with my blessed land.
