Founded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This is one of my favorite pieces. The instrumental parts might seem expensive,but the piano score is 114 pages, and then there are the bass,drum, and flute parts. The flute part includes a transposition of the alto flute movement for C flute. This score is legible with no typos that I have discovered yet. If only someone would come up with an accompaniment disc as has been done for suite No. 1 (produced by Hal Leonard).

Love this. IMHO even better that the First Suite. I am drawn in.Clever sophistication - sequel to Bolling’s original Flute Suite - demonstrates tremendous musical ingenuity and clever marketing to pioneer and capture an entire new generation of listeners. Bolling Rampal partnership never ceases

to amaze. I liked the first one, I like this even better.1. Espiegele2. Amoureuse (Instrumental)3. Entr'amis (Instrumental)4. Vagabonde (Instrumental)5. Pastorale (Instrumental)6. Affectueuse (Instrumental)7. Intime (Instrumental)8. Jazzy (Instrumental)Faultless - Piano part now comes in a proper book form. along with separate Flute Bass & Drum SheetsArrangements are exactly as you hear them on CD. Perfect 10. And yes, definitely fun too.

Great price for complete score/parts of a classic piece.

First mailing had the flute, drums, and bass parts. The piano part was missing. I returned the first mailing and received another mailing about a week later. All parts were included this time. This is a great piece to learn and play.

I'm a Claude Bolling fan - love to listen to his music and play.

nice

I really love the Suite, the book got here in perfect conditions.But I was mistaken when I read "Intrumental Folio" in the description. The only part that comes when purchasing this item is the Piano part, not the full intrumental folio, with flute, bass and drum parts. So, if you're interested in playing the whole suite, it's good to know that the only sheet music coming along is the piano's.

I order this and all the parts came Except for the piano part. I play flute but I had a pianist waiting for the part to accompany me. When I asked to send the piano part I was told they couldn't. Otherwise the music is good.
